OBJECTIVE

My goal is to expand my skills and knowledge in the systems area through a job that allows me to develop to obtain more knowledge and experience. I am passionate about both teamwork and individual work.

PERSONAL INFORMATION

My name is Nicolás Martin Amado, I am 20 years old and I was born in Argentina – Buenos Aires. I am currently looking for a job in the systems area, willing to continue expanding my knowledge to improve my skills in any area of Programming to contribute as much as possible to my work. I acquire knowledge quickly so it will not be difficult to learn new techniques.

EXPERIENCE

"Estudio jurídico Amado & Asociados" at Perú 2320, San Justo, La Matanza, Buenos Aires. I work **-from March 2020 to December 2023-**
My roles at work include:
- **Development and implementation of the law firm's website**:
Design and creation of the website using HTML, JS, Node, React amd CSS
Implementation of a content management system (CMS) to facilitate updating information.
Website optimization for search engines (SEO).
- **Administration of the legal firm's database in MongoDB:**
Database design and implementation.
Making backup copies and maintenance tasks.
Database performance optimization.

APTITUDES

I am a specialist in creating web pages using React.js, Node.js, Nest.js, HTML, JAVASCRIPT. I also detect defects and errors and resolved them as quickly as possible. Creation of Responsive Web, using Boostrap, SQL Queries, management of Git and GITHUB
